

Messiah Lutheran School

Tuition Information Sheet

At Messiah Lutheran School, our mission is living to know and share the love of Jesus Christ, while providing a quality education where children experience success!

Although supported in part through fundraising and contributions from Messiah Lutheran Church, the large majority of Messiah Lutheran School's annual income is derived from student tuitions.

Tuition amounts are based upon projected expenses for the upcoming year including salaries, education supplies and building costs. An allowance for classroom parties and most field trips is included in tuition.

At Messiah, we strive to deliver a quality, Christian education supporting our goals of meeting each child's Spiritual, Intellectual, Social and Physical needs.
